

**STATEMENT OF CANDIDATE FOR  
SAN BENITO COUNTY BOARD OF SUPERVISORS, DISTRICT 4**

**DAN VALCAZAR**

**Occupation:** Small Business Owner

**Education & Qualifications:**

Born and raised in San Jose, I attended public schools and graduated from San Jose State University with a degree in Marine Biology. My Master's Degree plans were interrupted by my competitions in martial arts and an interest in the San Jose Police Department. After 15 years of public service, I retired my badge as a Police Sergeant to join my friends in a business venture. This business grew to 26 offices. Later, I became an invested partner in a private company. There, I became the real estate broker of record. I now continue my business in residential, commercial, and property management.

Throughout the years, I have always volunteered and have been a mentor to others. My latest mentee just graduated from Stanford University. Locally, I am the President of the Ridgemark Homes Association and I am on the finance committee for my church. I have been married for 36 years. My children attended local schools and have degrees from two well-known universities with one holding two master's degrees. Leadership, life experience, courage, and belief in a brighter future will bring the proper blend of tranquility and technology to San Benito County. With your support, we can make this a reality.
