

**STATEMENT OF CANDIDATE FOR
SAN BENITO COUNTY BOARD OF SUPERVISORS, DISTRICT 4**

MIKE MANSMITH

Occupation: Business Owner

Education & Qualifications:

As a life-long resident of San Benito County, husband, father of four, and a business owner for the past 30 years, I know what it takes to get results. I am passionate about restoring our community to the way it once was and alleviating the burdens straining our resources. We need the ability to strengthen our economy, all the while strengthening our resources. As a business owner, I have enjoyed serving my customers and community and have donated to many worthy causes. Its with that same attitude I take pride in representing my constituents. In this day and age, we need elected officials that focus on producing results and honor its morals and oaths. It is no wonder that government distrust is at an all time high. I would love the opportunity to bring honor back to being a public servant, because it is my duty to serve our community. Please keep this in mind when you are voting for your next District 4 Supervisor.
