Write in Candidate for 2021 – *The People’s Governor*

My pursuit, to seek a high political office, is likely unprecedented in US History, as a write in candidate being a representative *“Of the people, by the people, and for the people.”* The main reason why I am running for the California governor’s seat, and would like to invite you and others to help me, is to make a strong statement – To both of the major political parties, to major media outlets, Big Tech and other big businesses – who have consistently disrespected and disregarded those of us who are law-abiding citizens and hold to conservative views. I refuse to be holden to any political party or special interest group that denies California citizens their Constitutional Rights.

- As a 63-year-old black male, who has lived in the Great State of California the majority of my life, I have benefited and enjoyed the many freedoms this country has offered. These God-given freedoms have slowly eroded over the years both at the State and at the National levels which became shockingly evident with the 2020 chaos we’ve witnessed around our Nation by BLM, Antifa and White “Woke” folk. It is for this reason, that I have decided to enter the gubernatorial race in California, after the successful recall of Gov. Gavin Newsom.
- I believe my life experiences have prepared me for the office of California Governor. I am running for this office, to make a difference. I have a responsibility and obligation, as a just and law-abiding citizen, and along with your support I will prevent this downward spiral. As your next Governor, ***I, Chauncey “Slim” Killens – The People’s Governor*** – will aggressively support and defend your Constitutional Rights because all *California Citizens Must Come First.*

- If you are wondering about my experience in political office, I have none. I am neither a politician, nor a career politician, but I am a godly man that will always stand on moral principles, based on integrity, despite severe opposition. Remember, it is often career politicians who consistently attempt to destroy this nation's godly foundation by enriching their own pockets. You likely, as I have noticed, that certain politically elite individuals, who are very powerful, are determined to destroy the Constitution, and our great Republic.
- I am the second oldest of seven siblings to the proud parents of the late Jack and Juanita Killens, who were raised most of our lives in Seaside, California. My mother, Juanita Killens, who accepted Jesus Christ in her early 20s demonstrated a strong affinity towards God, both in word and practical Christian living. This had a major impact on my life, especially after I became a Christian, encouraging me to always stand on the truth in love and with boldness.
- I attend the local schools in the City of Seaside and on the Monterey peninsula, graduating from Monterey High School in 1975. Immediately after graduating, I joined the US Army and served my country in Europe for about 5 years (1975-1980), before being honorably discharged.
- I met my first wife in Europe, who gave us two beautiful daughters – they are all grown up now – and I am very proud of both of them. I had my personal experience with Jesus Christ in Europe, in August 1980, and have been a faithful servant of my Lord and Savior Jesus Christ ever since.
- I was honorably discharged from the US Army in Europe and returned to Seaside, California in 1983. I did odd menial jobs, until I was hired as a Correctional Officer with the Department of Corrections where I spent the next for 21-years, before retiring (1989-2009).
- I did some higher education graduating from the Monterey Peninsula College, Bethany Bible College and Chapman University. However, the greatest tools of learning for me have come from a strong sense of integrity and high moral standards – because if one's word cannot be trusted, they have nothing of value, and shouldn't hold any political office.

- In the mid-1980s I was ordained as a minister at Christian Memorial (COGIC) Church of God in Christ in Seaside, California. I was an Interim pastor for about a year in the mid-1990s at Mount Olive (COGIC) Church of God in Christ in Watsonville, California.
- Over the last four decades, I have enjoyed traveling across the United States doing street ministry, having respectful, passionate and vigorous dialogue with thousands of people from all walks of life on various issues still confronting our present society today, such as Moral, Social and Political ideologies.
- I recently married about 3 years ago, to my beautiful wife whose heart is also sold out to God. We presently reside in Southern California. Together we want to serve and glorify God, making a profound difference in the world. As Governor, we will serve the California citizens with integrity and transparency.
- As God continues to open the doors for me to successfully run for the governor's seat in California, and I hope you will join us and make it a reality. I will be *"The People's Governor"* faithfully serving all law-abiding citizens of California. This is proper and what God requires – TO DO JUSTLY, LOVE MERCY AND WALK HUMBLY BEFORE THE TRUE AND LIVING GOD!
- *"You shall appoint for yourself (Governors) judges and officers in all your towns...and they shall judge the people with righteous judgment. You shall not distort justice, you shall not show partiality; and you shall not accept a bribe, because a bribe blinds the eyes of the wise and distorts the words of the righteous. Justice, and only justice, you shall pursue, so that you may live and possess the land which the LORD your God is giving you."* Deuteronomy 16:18-20 NASB.
- I will live by and govern California based on what the Scripture says. So, as it is written, so shall it be done! I will honor God, as your next Governor of California – in justice, righteousness and equity.
